

# Camper Van Beethoven, (We're A) Bad Trip

you know, you really shouldn't take yourself so seriously  
if you want to know why, it's cuz no one else does  
somewhere along the line someone told you you were deep and sensitive  
but you're not  
Came to the party, drank all the beer, cuz we're a bad trip  
well I can't tell you how glad I am that you live such bright and flashing lives  
it's the perfect thing to keep you distracted  
but if it went away, I guess you'd have to see yourself  
hope you wouldn't regret all the time you'd wasted  
Came to your party, ate all the d'heuvres, cuz we're a bad trip  
we dented your parked car when we drove up onto the lawn  
smoked your last cigarette and spilled the beer on the carpet  
answered the phone and said you didn't live here anymore  
and it was your mom  
Came to your party, drank all the beer, cuz we're a bad trip  
yeah, we're a bad trip
