

Canadian Idol, At This Moment

What did you think
I would do at this moment
When you're standing before me
With tears in your eyes
Tryin' to tell me that you
Have found you another
And you just don't love me no more.
What did you think
I would say at this moment
When I'm faced with the knowledge
That you just don't love me
Did you think I would curse you
Or say things to hurt you
'Cause you just don't love me no more
Did you think I could hate you
Or raise my hands to you
Now come on, you know me too well
How could I hurt you
When, darling, I love you
And you know (and you know) I'd never hurt you
What do you think
I would give at this moment
If you'd stay, I'd subtract twenty years from my life
I'd fall down on my knees
Kiss the ground you walk on
If I could just hold you again
I'd fall down on my knees
Kiss the ground that you walk on
If I could just hold you
If I could just hold you...again
What did you think
I would do at this moment
Oh, can't you see
I'm begging you, girl
Don't walk out on my world
What did you think
I would do at this moment
I'm on my knees for you, baby
Please don't leave me
Please don't walk out of that door
What did you think
I would do at this moment
I'm going to spend the rest of my life with you, girl
Please don't go.
