

# Canadian Idol, Awake In A Dream

I never thought,  
that one day you'd be come a part of my life  
still you were always with me  
when I lay my head down at night  
could you really be here with me  
has my wish come true tonight

CHORUS:

Cuz now, now it seems  
Im wide awake in this dream  
And I'll do, ill do anything  
to stay here forever  
And if this is a dream  
Im not going to wake up  
But if im a wake i wont close my eyes again

Though I feel like im flying  
Im sure my feet are still on the ground  
Open my eyes, and its amazing  
how my world has changed when i look around  
And its like i found a road straight to heaven  
the road has lead me right here to you

Chorus

Everything ill ever need,  
is standing right here in front of me  
you've given more than ill ever ask for  
now all i can do  
is give forever to you

Cuz now, now it seems  
Im wide awake in this dream

Chorus
