

# Canadian Idol, Superstar (Billy Klippert)

Long ago, and oh so far away  
I fell in love with you, before the second show  
And your guitar, and you sound so sweet and clear  
But your not really here, its just the radio

Dont you remember you told me you loved me baby  
you said you'd be comin' back this way again  
Baby, Baby, Baby, Baby, Oh Baby  
I love you, I really do

Loneliness, is such a sad affair  
Sad affair  
And I can hardly wait, baby no i cant, to be with you again  
And what to say, to say  
to make you come again, UH  
oh honey, come on back to me again  
yeah. . .  
i wanna be, i wanna be anywhere you are

Dont you remember you told me you loved me baby  
You said you'd be comin' back this way again  
Baby, baby, baby  
Baby, Baby, Baby, Baby, oh Baby  
I love you, oh baby  
dont you remember you told me you loved me baby  
you said you'd be comin' back this way again  
baby baby baby baby oh baby  
I love you, I really do
