

# Candy Girl, Say My Name (ft. Violet)

Say my name on 1, 2, 3  
I show you how I love it  
Won't just come on over here?  
I'm gonna let you work up on it

You can see me  
You can feel me  
You can watch  
But you can't touch  
I can tell you what I fancy  
But I'm gonna make it cheesy

Say my name on  
(Say my name on)  
Promise without a cover
