## Canibus, Ain

Pop, the King of New York calls me the King of New Thoughts Serious talk, I'm the imperial spit boss It's going down from the troposphere to the ground Everybody's mouth moving but you can't hear a sound Five round six, direct hit we don't miss, imagine a snake that don't hiss Spit without fork tongue, heavyweight words support drums nothing but trace of rounds in the gun The odds are a 1000/1 Rocket launch a lung Sharpshooter 1, pass the mic to Sun
