[Canibus]

Yo.. the shottie rip, perferrate the skin on top of ya ribs Red stuff come out his ribs like a Hollywood script Bitch-niggaz on the floor screamin for mommy and shit Cardiologists hook up the heart monitors quick Thermometer temperature dips below 76 That's what you get for tellin niggaz that you better than 'Bis Not possible - if I can't pronounce it, it ain't rhymable The audible probability probably ain't probable Supreme rap, G Rap, underground without a rule Shopper proof, holdin hip-hop for hostage, bout to shoot Helicopters stabilized at low altitudes Talkin to the negotiator, layin out the rules In a tight compromise salute, road-block with troops Underwater's not to shoot, but they break ya vertebrae with boots Ten o'clock news flash, 'Bis and G Rap All punch bullets are lookin for them niggaz in black Lean back in the avocado El Dorado, passin the bottle Speakin Japanese like Nomi Masho

[Kool G Rap]

Welcome to my world, danger and hazards

Gang of bastards, bangin they ratchets King and the Jacker, slangin in traffic

If I'm rappin sloppy, she got me...

Claimin they cabbage, obtain half, they aimin for stackage

Get brains from the (?), keep blingin with karats

She got a bangin body, cold sushi with warm saki

Cops see me in Maddox, then let ya dame have it, flames to the attic

The stains on ya fabric, the paint in the graphic

Canibus and G Rap, bangin a classic

And if that beef on the street - hate you enough,

blow out ya brain in ya casket

Don't you love this drug element?

Where slugs crush ya melon and dome

Chrome that's known to break bones in an elephant

Shotgun pellets and, gunsmoke; smell the scent

Big bullets, wiggle ya guts like gelatin

Cut through ya skeleton, knockage intelligence

Ride, stand, and bite the dust

Jake wanna be like a Russian cuffed on that Riker bus

We raised in the slums, with haze in our lungs

Raisin the guns, knowin;

My day'll come, razors under the tongue

Clips in the steel, bricks in the wheels,

chips in the field of fortune

Dead men walkin with hits on the grills

Late night at the spot, posted with goons, dope and balloons

Coke and the doom, scheme; I'll leave you open with wounds nigga

Witness G Rap put it back in perspective

Beat up shit with a dash of the peppers

Get blast for ya necklace

Leave ya brains on the dash in ya Lexus

We up in the club, dash for the exit

Make ya spread 'em out - show you what this lead about

Take it from an old thug, whoever clean cold blood

Believe they bled it out (yo)

Crave for the war, pop out rages with fours

Hit the jackpot, blazin the raw - gettin bands in the pores

Bitches and whores with dick in their jaws

The frame drank sick of Valor, straight bandit spot

Open up shop, turn the block to "Planet Rock"

Shit with no chop, slept with the glock with the hammer cocked Servin the fiends, hop in the Suburban and lean Look at that don nigga swervin in Queens, playa Ballin a lot, brawlin for props, callin the shots Hit the curb, birds all on the flock Jockin, like "who that there covered in all of them rocks" It's royalty bitch, fall on the cock, recognize one Giacanna G Rap, that live one - pay homage Get it fucked up, I spray comments, nigga what?!
