Canibus, Boxcutta' Bladerunna'

(18 second car chase intro to start)

(Canibus)

Record industries most wanted: Rip the Jacker

Wanted for the '98 slayings of several rappers

One of which went on to be a successful actor

Here's the reenactment: He called me at my man's crib

The phone probably rang two times then I answered

He sounded really amped up, he tried to scare me

He told me that DEF JAM wanted to ban me

And told me Tracy Waples wanted to bang me

Damn I wanted to get in her panties, she was scared of me

Canibus hates the media and the magazines

They add so much credibility to elaborate schemes

Internet chat rooms with live feeds

Of a rapper being eaten alive by live bees

Sound barriers like the Lockheed

Even with knock knees I run across rough terrain at mach speed

That's a rhyme from like 9-3

As vivid in the mind as pictures with six hundred DPI's to a sheet

If I'm high when I speak the knowledge is deep

Solid as concrete, this is real Hip-Hop for the streets

I never leave any witnesses, it's ridiculous

They served me court papers in the studio I did this in

Missing from society because they lied to me

They didn't want to accept my doctrine of society

I studied with hundreds of scientists and science teams

In various Ivy leagues, they respect my esteem

What do you want me to rap about? Go ahead try a theme

Give me a person, place or thing, I'll create the time and scene

Somewhere in Afghanistan USA survival teams

Keep an eye on their surroundings in the jihad regime

A total riot scene

Back and forth they encrypt fiber-optic beams

On my album out next spring

You mother fucking right nigga, I'm about that cream

I promised myself I wouldn't shoot it without that scene

It doesn't look right like Cash Money without that bling

Siblings, I mean, we all got the same last name

Germaine Williams that's my name

Say it again, Germaine Williams, damn

I think he goes by the name of the Canibus-man

And occasionally Rip the Jacker but never Stan

Get it through your head and don't ask me again

Box Cutta' Blade Runna' nigga rap til you sweat

Have you ever read the book called, The Catcher in the Rye?

It so happens I'm looking for a copy I could buy

Canibus is coming for y'all Round the Outside, Round the Outside, Round the Outside'

A lot of y'all shine but y'all can't rhyme

And it's about time that I put y'all in line

Twist your mind with twisted rhymes

As weird as Michael Jackson's nose from the side

Flows that abide, quite bold for the times

No need to hide, your friends are associates of mine

Don't be a stranger, come over some time

I got coke if you do lines, you'll get a Rover to drive

If you hear the engine knocking just pull over to the side

I guess it hasn't been serviced in all this time

Halloween, True Hollywood Stories release date

We should have a Who Wants to Battle Canibus' sweepstakes

And limit it to three states, New York City home of the greats

Philly and out west, piece of cake

Old school rappers I wouldn't be around without

Ain't got shit to say but keep putting albums out

Don't let what I said get you upset Box Cutta' Blade Runna' nigga, rap til you sweat! //
