Canibus, Get Off Ya Kneez

(Hook)

Get Off Ya Knees! Change your style cause its time Nigga's want me to rhyme pre-99 No-one can flow with Bis, Most people notice But others just won't admit, They can't get over it Rhymes I been known to spit, Mic's I been known to grip Makes me the Ultimate, God father over this I'm just a ghost of rip A soldier in this show business don't exist if he has no defence My opponents are so intent, not to show respect They fret cause I'm a global threat I'm so hard to catch, a cold with Caleb I relocate so quick they can't close the net I expose the press, dispose of the prints On the loose again nobody knows what's next My virus infects Every machine with clandestine speech
