

Canibus, Halloween Wolves

Always be concerned dis emcee fluctuate germs
His insight just keep learning
Man never observed poetry quite resembling this
Shit take it from the top once again
Anytime battles commence
Decibels exist fortissimo fangs honourable intent
Jackers kick loathsome lyrics
Material never obtaining positive quite respecting spirits
Transmitting unsophisticated vacant vocals
Vampires with xenophobic yodels
Send out zealous zealot zip gun Zen from zoom lenses
I can write a zillion sentences
General Helios don't boast, he roast, his speech smokes
Don't get more than twenty feet close
Javelin Fangz, Sharpshooters with the flash bang
The last man standing with Wolfgang (Wolfgang, Wolfgang)
