## Canibus, Horsemen Promo

(Canibus)

I'm probably what you would call a Record industry population enforcer

I slaughter like, a hundred rappers each quarter

In order to keep this shit in order

I track wack niggas down, from border to border

Just like the stories of the hare, and the tortoise

The rabbit was faster, but fell asleep in the forest

But lost, cause the tortoise had endurance

I always stay focused the longest

I promise I can battle any artist 'till they just get exhausted and forfeit

With actual, super-natural forces, I'm a horseman from Hell

Immune to the garlic water, and the crosses

After the last album, I went through a metamorphosis

And probably fired more of my niggas than Doug Morris did

I kicked the dead beats out, turned around and switched my whole team out

Now I got some banging ass beats now

It paid off, cause I came off, like Adolf And I can murder any motha fuckin' camp I concentrate on

With the first strike, I'm so nice

I can exterminate more niggas than the Third Reich

The way I burn mics

I've been accused of being all hype

All bark, and no bite

Every night I got into a bar fight

Defending my title, cause niggas was like, yo

yo, I ain't feeling yo' shit

And I had to beat they ass with Tae Bo

You read somewhere that I was wack?

Must have been a typo

Out of a grand, I got 755 votes

For freestyle champion, two years in a row

The type of shit I be spitting

Y'all niggas ain't even close

You wonder why I do this, I do this because I find it therapeutic

for all the enthusiasts that love my music

You're stupid; my brain's faster than Cray computers

With microprocessors submerged in cryogenic fluids

On some rude shit, I put voodoo on your two-inch

Tell you that you better not use it, then bootleg your new shit

You think that you can fuck around? Prove it

You got a beat? Loop it

You got lyrics? Then flip something to it

And stop talking behind my back, you bitch

You faggot ass fools get mad cause niggas know that you blew dick

Trying to get on some whoop de whoo shit

I don't give a fuck, what you or your crew think

Because I know where you live

And I got the address to your crib

Plus the bazooka that I'ma use to remove it, cause I'm a sore loser

And losing is off limits, especially when Canibus is involved in it

Spitting some wicked ass lyrics

Four sacrilegious niggas, that'll rip your Adams apple out in a minute

And play two-on-two tennis wit it, bitch

Fuck the critics I'm the illest
