Canibus, I Honor U

[Chorus One: MB^2]

We'll never part (through) sickness and health (health) You are my heart -- I love you more than I love myself (Yeahayyeahh) But in the middle of the night I heard you cryin in your sleep it'll be alright I'll be there for you (just for you) if you tell me all your secrets Yet in the middle of the night I heard you cryin in your sleep I held you tight I'll be there for you (youuooooh) if you tell me all your secrets

[Canibus]

Aiyyo, boy meets girl, boy really likes her Boy loses contact with girl but he finds her Girl has no clue that boy is a liar, and he has no honor So she dates him regardless, cause she thought he was harmless And he had her believin he was the man she wanted to spend the rest of her life with -- the words "I love you" are priceless, unpredictable like rollin dice is None-the-less, inspite of the frightenin repercussions you might get, people still risk they necks Of course it's nice, the feelin of courtship, roses and stuff Women never get it often enough And the reason people love they mother so much besides the fact she carried you for nine months, is trust It's a five letter word, that should only occur between him and her before the bees and the birds (WORD!)

[Chorus One]

[Canibus]

Aiyyo I heard a soft moan in the middle of March Then I felt a powerful force push me forward like a dart On your mark, get set, GO! I was off, flagella was my propellor wigglin back and forth Then I set a course for the border Mother Nature's karma callin me to the rock of Gibraltar The competition tried to be smart, but I was smarter My competitors were swimmin fast, so I swam harder Submerged in water, prayin to my heavenly father If I don't make it through I'm a goner Screamin out & guot; Death before dishonor, & guot; Because I'm awesomely stronger, my stamina last longer I was destined to be a son instead of a daughter XY is the male chromosomal order One'll stay alive, and survive, the rest'll be dead Cause I'ma be the one to fertilize that egg {echoes}

[Chorus Two: MB^2]

In the middle of the night I heard you cryin in your sleep I held you tight I'll be there for you.. if you tell me all your secrets

[Canibus] Aiyyo mommy I'm up in your stomach, buggin Whenever you rub it, I love it Like a comforters covers you warm as a oven Your husband -- stubborn, how can you love him? Smokin cigarettes by the dozen when he knows that I'm comin Bad move, you hopin that daddy improves Knowin in your heart that's bull, because he's too cruel You've been abused, used, you've got, wounds and scars Think with your mind not with your heart, let's go to grandma's Terminate the lease, call the landlord Give your job two weeks notice, pack up the car, and go to New York What part? They got a little borough called The Bronx, Mom.. And I heard that's where hip-hop is gonna start Hell yeah! I think we need to be right there Four months in your stomach and I already chose a career When you cry, I hear, and I wish I could dry your tears but I can't cause I'm stuck in here Five months from bein able to lay against your chest I can't even hold you in my arms, cause they ain't developed yet But I swear to you, as to God's Almighty Truth I'ma be there for you.. I'ma be there for you..

[Chorus One w/ variations]

[MB^2] Tell me! (Tell me all your secrets) All.. all.. (Tell me all your secrets) And I will be there for you (Tell me all your secrets) Tell me your secrets (Tell me all your secrets) Oooohoooh, tell me.. (Tell me all your secrets)
