Canibus, Javelin Fangz

[Sample:]

"For this reason to have this Key
They some how transmit into your brain a hard idea
Like, you are living wrong
You've broken our laws on this planet
This is the reason why
Very soon when the sky became dark
Thousands and thousands of people will die
And only a few them will stay alive"

[Canibus:]

was on my way home, the ground opened up like a grave

Turned the highway into a tomb It's crazy I grew up playin' with Tonka's

Mickey Thompson mud Swampers on a off-road monster

I took a detour started headin' east

Got stuck through a wench around a red wood tree

A 1000 feet above sea level

Still drivin' altitude climbin' the Tsunami's 1 hour behind me Made my way to the Mojave, I robbed niggaz for they gasoline

Then headin' towards the Colorado Rockies

Desperado, El Diablo on your back yard property

Can't let the circumstance stop me

G.I. Joe, O.G., Desert E's, Desert fatigues

Dry weather gear for the desert breeze

140 degrees, I can barely breathe

Toast bread and fry eggs on the roof of my Jeep

Take my boots off I won't even look at my feet

They smell like I've been cookin' my feet

Look at me, I'ma mess I did it for my family & Dig friends

When the time comes I do it again

Because this ain't the end, this is the beginnin'

A new way of life nigga how you gon' live it

Man Women and Child, livin' in a village

No more technology privilege

When disaster strikes put down the mic

You better pick up that weapon and pass it to the right

Laugh if you like but the time is near

There's no time to spare, formation over here

[Chorus]

[Canibus:]

I observe purgatory from the solar observatory

The Sun stone was right, God have mercy on me

You ask what, I ask what next

Geo-magnetic effects came down to the deck

Radio, T.V. Satellite gone, nobody can make or take one call

LIGHTS OUT! All communications wiped-out

To late to call upon Jesus Christ now

Collect your weapon and ammo

You don't have weapons to protect your family? You're asshole

Guns are worth more then anythin' in a time like this

The price just went up the pricelist

You a Predator or Prey in the twilight mist?

You wanna pray; get on your knees die like a bitch

Your family got dragged off

Put to work as slaves in a hell pit because you were selfish

You bought cars, gold, diamonds

Should've bought somethin' that could equalize the violence

Face it your heart's full of hatred

'Cause you got stripped naked in front of your babies

Do somethin' to change it

Take it, take a day-off, take a trip to the shop

Get a laser sight scope, adjustable butt stock

Automatic burst, fuck a one shot if a nigga want static

I'ma give 'em what I got

[Chorus]
