

# Canibus, Poet Laureate Infinity V004(For Whom

(Sample)

"And this is where the, the uh complexity comes in  
Maybe we in modern uh civilization haven't really connected with this understanding"

(Canibus)

This is never been done before with a rhyme outside the realm of time

It's the first of its kind

POET LAUREATE INFINITY!!!

I WILL FOREVER BE THE ILLEST LYRICALLY!!!

I procured a small piece of the treasure

Collections from a former era datin' back to forever

The warrior became protector; take a closer look at the bars

You'll see I'm not behind them or in front of them, I'm one of them

Started with a hundred, The Game spit three I said "Fuck It!"

I'm a have to show these niggaz somethin'

33 is the number that enlightens the Brother

Insight to the fullest that could brighten the dullest

The ramifications are awesome, what should we call it? Mortars

I drive forward Sandstorms make my eyes water

Skull is a submarine hull

Dolphin phones screen calls from places as far away as A.G.C.R.

The rhymes are raw, protected by the Jericho wall

With surface permutation of the permafrost

We thought close support from the Navy Carriers and Air Force

Would give us all what we needed, we were wrong

This is "The Greatest Rhyme of All Time" supposedly

1000 Bars it will probably always be

The results from SETI, very interestin'

I briefed the committee they told me to stop the testin'

You cannot contend with this when I let it rip

Eyes, ears, nose and throat specialist Professor Bis

The sublime Chakra one thru nine

Thru the spine induce the rhyme

Internal fire produces the high

I listened to 44 4's 22 times

+I Gave You Power+ God stop my heart if I'm lyin'

SHUT THE FUCK UP and stop whinnin'

Instinct controls how you think before decidin', so keep vibin'

The Art of Rhyming; I've mastered it certainly

Surely I'll celebrate capturin' it for my Taxidermy

From the streets of New Jersey to Germany

To jungles in Angola where most the meat poachers heard of me

I guess it wasn't meant to be

Under an assumed Identity I resumed PsyOps on the enemy

USA made, field grade steel face

Movin' at a Canibus pace in the proto subspace

Nobody could hold me back, my flow bloviates into a spiritual shape

And co-create rap, cold callous chronic chemical imbalance

Smokin' a chalice in the Rabbit hole with Alice

Systematic Global Geographic Systemic Neo-synopsis

Reload the graphics notice I spit it rapid

Victory over injury a victim to misery

The myriad of my metaphors make me a mystical mystery

They can't battle me; so they'd rather embarrass me

By being mad at me, they commit microphone heresy

Clairvoyant Technique, usin' X-Ray refraction

Not only can you see into the future, see past it

But I don't know what it means

I pass the DataStream along to my team

They say it's more than a dream

Kill you with weed vapour, then the Taser, then the Laser, then the Maser

Then somethin' they call Scalar

"That is not dead which can eternally lie

And with strange aeons even death may die&quot;  
Why? Coup de Gra for the Coup de Ta

I have mastered The Art of Rhyming now I am so bored  
I seen a mushroom to the north, from a porch  
It was odd, every dog in the neighborhood barked  
'Cause Emotion manifests Thought, Thought manifests Words Actions and Reality  
But what is attracting me?  
If you question me, you will be detained indefinitely  
Your name will be added to the Black List Registry  
Observe the man with the microphone strand  
Or 5th or 6th, 'cause way more advanced  
I look up in the sky to see if God is judging me  
Suddenly I feel Fatima and Medjugorje come to me  
Sittin' down at the mixin' board comfortably  
They begin to study me, by showin' me worlds I would love to see  
A stationary pulley drawin' from a wishin' well  
The Genie gave me three more because I listen well  
There's a Proverb that goes &quot;One should know thyself&quot;  
Before one can know the world so I showed myself
