

Canned Heat, Searchin For My Baby

Searchin' searchin' for my baby
Searchin' searchin' for my love
I'm searchin' for the one I used to hold
If I find her, you know, I will
I'll never, never let her go now, baby
No no no no no no!

I love you, I need you
I want you by my side
For my love, for my sweet love
You know I'll never, never hide now, baby
No no no no no no!
Never gonna hide now baby

I wonder, I wonder why she had to leave me this way
I'm sorry darlin' that I made you cry
Forgive me love, for the things I've done to you
Come on now, come on home
Give me one more try

Searchin' baby, I'm searchin' for your love
I'm searchin' for the woman I'd love to hold
And if I find her I'll never never let her go now, baby
No no no never never let her go
I can't make it on my own
No no no no no no!

I need you
I can't make it on my own
I need my baby right now
I need my baby right now
I need my baby right now
