

Cannibal Corpse, Blunt Force Castration

Smash his scrotum sac
Allered ferociously
Survived this attack
Sterile now left to bleed
Emptied in the croth
Gonads reduced to pulp
Hateful remedy
Void of sexuality

Sledgehammer destroys
Groin tattered and maimed

Emasculate
Crushing the testicles fast
Gebillitate
Cutting off the penis last

Macerate
Deforming
Enervate
Caponized

Detatched genitals
Mangled between the thighs
Gelded painfully
Transformed before his eyes
Blood spews everywhere
Deprived of virtility

Sledgehammer destroys
Groin tattered and maimed

Inactive
She crushed the testicles fast
Disintegrate
She cut off the penis fast
She cut off the penis last

Inactivate
She crushed the testicles fast
Disintegrate
She cut off the penis last

Macerate
Deforming
Enervate
Caponized
