

# Cannibal Corpse, Worm Infested

Enter the graveyard,  
Searching for a female corpse  
Dead for thirteen years  
The perfect whore to fill my need  
Dig her body up  
Crack open gruesome tomb  
Ceremonial  
Covert necrophilia  
Why must I masturbate at the sight of maggots  
That are crawling on her face ?  
Drawn to the coffin's stench that holds an impure  
Wench, inhumanity  
Half skeletal remains  
Insatiable desire to inseminate  
Swarm a parasitic plague enables me to emulate  
A state of constant disarray  
Worm infested, worm infested, worm infested  
Worm infested, worm infested, worm infested  
Chew the bitches fuckin' head  
Eat her fetid skin and relish in the violation  
Tear tissue from the bone as these actions go  
Unkown; vicious cruelty  
Vile distal cruelty  
Snapping bones in two, defiling cavities continues  
Fierce repulsive fanasies enables me to emulate  
A state of constant disarray  
Worm infested, worm infested, worm infested  
I must fuck her worm infested, worm infested  
Cunt  
Excoriate, disseminate, demoralize, to sodomize  
Excoriate, disseminate, demoralize, to sodomize  
Despicable degradation, excoriate her  
Inimical depredation, disseminate her  
Ignominious domination, demoralize her  
Presumptuous defecation to sodomize her
