

Cannons, Desire

I'm hooked on you honey
Never letting you go
Cus I got desire
It's starting to show

I'm holding you tightly
Bathing inside your glow
Cus I got a fire
I feel it starting to grow

Here's the thing
I cant stop thinking about you
Can't stop thinking about you
Here just thinking about you
Till the stars burn blue

Call it sad call it funny
I don't care to know
Cus I got desire
And I can't let it you go

Here's the thing
I cant stop thinking about you
Can't stop thinking about you
Here just thinking about you
Till the stars burn blue

Let me back in your head
And your heart again
I been thinking bout you
Baby tell me when

I get so carried away
Lookin in your eyes
You you spark a fire and
I just cant deny

Cus it's you I'm thinking of

Heres the thing
I cant stop thinking about you
Can't stop thinking about you
Here just thinking about you
Till the stars burn blue
