Cantatonia, Bad Bad Boy

You've been a long, time coming home
Time coming home, time coming home
You've been a long, time coming home
Time coming home, time coming home

You've been a bad bad boy
Such a bad bad boy

You've eaten all, my meat and corn
My meat and corn, my meat and corn
You've eaten all, my meat and corn
My meat and corn, my meat and corn

You've been a bad bad boy
Such a bad bad boy

Bad bad boy, a bad bad boy,
Bad bad boy, a bad bad boy

You've let me down
I'm gonna get you back bad
Cause I was sucking eggs

While you we're in Baghdad

You've let me down
I'm gonna get you back bad
Cause I was sucking eggs
While you we're in Baghdad

You've been a bad bad boy
Such a bad bad boy

Bad bad boy, a bad bad boy,
Bad bad boy, a bad bad boy

Bad bad boy, a bad bad boy,
Bad bad boy, a bad bad boy

You've let me down
I'm gonna get you back bad
Cause I was sucking eggs
While you we're in Baghdad
