Cantatonia, Is Everybody Here On Drugs?

She takes her happy pills They keep her happy Is everybody here on drugs?

Mad cows like bumblebees With chemistry degrees Is everybody here on drugs?

Here on drugs, here on drugs?

The Uberlords they'll stop the flow No snow, no show, bad scene The Uberlords, when they see fit Will give our lives new meaning

Spin doctor, aim for free Lest we speak honestly Is everybody here on drugs?

Here on drugs, here on drugs?

The Uberlords they'll stop the flow No snow, no show, bad scene Uppers, downers, they don't hang around us Will give our lives no meaning

No meaning, no meaning No meaning, no meaning

Don't need your poison, me I'll take the melancholy And everybody here's on...

Uberlords they stop the flow No snow, no show, bad scene Uppers, downers, they don't hang around us They'll give our lives no meaning

New meaning, a meaning No meaning, no meaning
