

Cantus Firmus, Thank You

Verse 1. Saw your car from my window
Now your feet on the stairs
What are we doing
I hope tomorrow that you'll still care

Chorus. I don't know how you do it but I'm glad you do
I guess what I'm trying to say is thank you

Verse 2. Talked to you for an hour
And I learned something
I hate myself
And how I'm so condescending

Bridge. We're on a mission from God
And I hoped that you would stay with me cause I'm scared

I got the message long before you sent it
Out to my head and my heart, somehow I always knew it
