

Cap De Craniu, Killer Shit

Grind Yourself and die!
You drop me without feelings in water!
You aborted your joy, you are the slaughter!
Awake Shit awake take your revenge for the cake!
Do you fucking Die?!

Chorus:

Killer shit kill

KILL KILL KILL

I am the shit coming from your deep

From the throat to your ass

That was my leap.

I was once close to your soul

Now I am the creep

Fuck you I will kill you!

You drop it without feelings in water!

You aborted your joy You are the slaughter!

Awake shit awake take your revenge for the cake!

Do you fucking Die?!
