Translation

How sorrowful I am
Early in the morning rising

Chorus (after each verse): h, I would go with thee
H ri bh h ru bh
H ri bh h rinn o ho
Brown-haired Alan, h, I would go with thee

If it is thy pillow the sand
If it is thy bed the seaweed

If it is the fish thy candles bright
If it is the seals thy watchmen

I would drink, though all would abhor it
Of thy heart's blood after thy drowning
