

Cappella, I Need Your Love

I, I, I
I, I, I need your love
I, I, I

I need ya 7x
I need ya
I need ya
I said I needed you

I, I want your love
I said I needed you
I, I want your love
I need your love

Ride the rhythm, taking you high 3x
Ride the rhythm, taking you high
Ride the rhythm, taking you high

Gonna make you move & the reason why

You just seem to be acting everyday
Woah, understand you gotta talk to me
There's no need to be watching over me
Woah, imagine why you gotta run to me

Shake, shake 5x
Shake, shake, shake, shake, shake
Shake your head

I, I, I need your love
I, I, I
I, I, I need your love
I, I, I need your love
