War still runnin' on

That they won't leave each other 'lone  
Why do yuh have t' do this  
You've got t' let us free  
Why do yuh have t' do this  
You've got t' set us free  
Why do yuh have t' do this  
You've got t' set us free  
Why do yuh have t' do this
