

# Captain Beefheart, Observatory Crest

While the city was busy we wanted to rest  
She decided to drive up to observatory crest  
We'd just saw a concert and heard all the best  
We went on a ride, we got outside  
The sand was hot, she wanted to dance

We went round and round in observatory crest  
Thought we'd saw flying saucers and all of the rest  
from observatory crest

While the city was busy we wanted to rest  
She decided to drive up to observatory crest  
We'd just saw a concert and heard all the best  
So the only thing to do  
Was to drive up  
And watch the city
