Captain & Tennille, I Write The Songs

Ive been alive forever, And I wrote the very first song. I put the words and the melodies together, I am music, And I write the songs.

I write the songs that make the whole world sing. I write the songs of love and special thing s. I write the songs that make the young girls cry. I write the songs, I write the songs.

My home lies deep within you, And Ive got my own place in your sole. Now, when I look out through your eyes, Im youg again, even though Im very old.

Chorus

Oh my music makes you dance
And gives your spirit to take a chance,
And I wrote some rock n roll so you can move.
Music fills your heart,
Well, that's a real fine place to start.
Its from me it's for you,
Its from you, it's from me,
Its a world wide symphony.

Chorus

I am music, and I write the songs.
