

# Captain & Tennille, Lonely Nights

Lonely Night, I cry myself to sleep  
Tell me, what am I gonna do  
'Cause it's always been you to dry my tears  
It's always been you to wash away my fears  
It's always been you each night and day  
Now what can I say when love slips away?

Lonely night, I'm walking the floor  
Tell me, what am I gonna do  
Without your precious love, your tender touch  
Hey, Little Girl, I miss you so much  
Wish we could turn back the hands of time  
To the day when you were mine

You used to call me Angel Face  
Used to call me Angel Face  
You used to help me through the night  
Make me feel all right  
Now all I have is teardrops through a lonely night

I can't get ya out of my mind  
I can't get ya out of my mind  
I can't get ya out of my mind  
I can't get ya out of my mind

I promise you I'll change my ways  
I promise you love's here to stay  
Hey, Little Girl, depend on me  
I'll be yours for eternity
