

Caravan, Don't Worry

Don't worry about me
I've got all that I need
And I'm singing my song to the sky

You know how it feels
With the breeze of the sun in your eyes
Not minding that time's passing by

I've got all and more
My smile, just as before
Is all that I carry with me

I talk to myself
I need nobody else
I'm lost and I'm mine, yes I'm free
