

# Caravan, Memory Lain, Hugh/Headloss

"Memory Lain, Hugh"

If you get on the road that takes you back  
There's a lot of things you ought to know  
You're going where I want to be  
If you get on the road you've got to take me

Can you see I don't care  
For all those things and fancy strings  
I just want the chance to try  
And find me

I stopped having dreams some time ago  
So now it seems I have to show  
If there's a chance I've got to find me  
Somewhere there's someone who can see

A broken-winged dove  
Is all he has to show for love  
Oh please help me please  
To find me

"Headloss"

Has anybody seen I've got me a dream  
Gonna be happy, yeah  
Never knew that light could seem so bright  
Couldn't you tell me, no?

Imagine me today  
Thought they'd come to take me away, me away?  
After all you choose, you've got win or lose  
Whether to find me

I've got my pipe and I've got my song  
And I've got love to keep me happy  
It's no surprise I've got bleary eyes  
But it's all that I have and it's all that I want

Many years ago, I thought whenever it shows  
Gonna be ready, yeah  
Suddenly within my head beginnin' to spin  
Gave it upon me, yeah

Had to be that way  
At least that's what they taught me to say, me to say  
If ever I get out, I'm gonna be makin' a shout  
Gonna be happy

I've got my dope and I've got my comb  
I'll be far gone, come tomorrow  
The moon comes out, I'll try to stare him out  
And I'll dance to the light if he's chasing me home

I've got my pipe and I've got my song  
And I've got love to keep me happy  
It's no surprise I've got bleary eyes  
But it's all that I have and it's all that I want
