

# Caravan, The Love In Your Eye / To Catch Me A

In dreams of you I wish a song on everyone  
A gift of love to fill your eyes, to fill your eyes  
And if I turn your head awhile, my heart will sing  
Thunder songs of love to make you smile

I&#039;ve travelled far in search of things I didn&#039;t know  
I could have found as well at home as in the skies  
There&#039;s so much time misspent in dreams of wealth and fame  
When all you need is love in your eye

Take a cup of newfound wealth  
Drink it down and do yourself  
Let your feelings tell you why  
Have no fear for lonely days  
Mind in hand you&#039;ll find a way  
You must believe me till you&#039;ve tried

Come the day  
Insomuch as we can tell  
A shadow clears anew before me  
Sing your song  
And through our needs we&#039;ll tag along  
Collecting thoughts for all the others
