

Cardi B, Drip (feat. Migos)

Come through drippin'
Come through drippin'
Come through drippin'
Diamonds on my wrist
they drippin'
Come through drippin'
Come through drippin'
Come through drippin'
Diamonds on my wrist
they drippin'
Come through drippin'
Come through drippin'
Come through drippin'
Diamonds on my wrist
they drippin'
Come through drippin'
Come through drippin'
Come through drippin'
Diamonds on my wrist
they drippin'

Give me little something to remember
tryna make love is a Sprinter
Crazy droppin' a nigga like Kamba
lookin' like a right swipe on Tinder
Shit on these hoes
now look at myt wrist on these hoes
now I look down on these bithces
I feel like I'm stilts on these hoes
forgive everybody right now
I'm the man, got cake by the pound
go down, hat it up, don't drown
left the keys in the boat
how it sound

I got that gushy
that's a fct but I've never vbeen pussy
I;vce been that bitch since pajamas with footies
won every P. and I'm still riikie
I gotta work on my anger
might kill a bitch wint my fingers
I stay outta Gucci
I;m finna run iutta hangers
is she a tripper
a rapper or a singer?
I'm bustling racks in a Bentley Bentayyga
Running through your hood like
Bitch, I;m the mayor?
you not my bitch
then bitch you're done

Come through drippin'
Come through drippin'
Come through drippin'
Diamonds on my wrist
they drippin'
Come through drippin'
Come through drippin'
Come through drippin'
Diamonds on my wrist
they drippin'

bitch you a thot
ain't tricken'

put her on her knee
make her lick it
patek on my wrist
and it's glistenin'
the bitch got mad
I dissed her

Shawty ain't nothing to a rich nigga
I put a check on a bitch nigga
fuck your whole set and your clique
got a gang full of duds and some broken niggas
diamonds on me
what's the price
I;m not getting invie wit ethe hype
I'm too rich to get into a fight
50 racks got my jeans fitting tight
pay that price and them boys come and wipe ya
we had to dispose of the diaper
we trap every week, every night
