

Carl Belew, Even The Bad Times Are Good

Yes even the bad times are good
If there's a chance that your heart misses the words I try to say with kisses
If I don't seem to look as happy as I should
I wouldn't want to live without you I love everything about you
Yes even the bad times are good
Your middle name should be perfection cause that's what you are to me
Even in my darkest moments you made it easier to see
I wouldn't change one thing about you if I knew that I could
Yes even the bad times are good

(Yes even the bad times are good)
You never let me feel mistreated your love is all I ever needed
When I was weak somehow you always understood
You're not afraid of stormy weather and that's what keeps our love together
Yes even the bad times are good
Your middle name...
