

# Carl Belew, Lucky Ol' Me

I woke up this morning happy as I could be  
I just found out that wonderful you loves lucky ol' me  
I opened up my window and wolcome sunshine in  
Told a little bird to sing my song then sing it again  
Cause wonderful you's in love with lucky ol' me  
And lucky ol' me's as lucky as lucky ol' me can be  
I was nothing until you came along and you love me with your love so sweet  
Now look what wonderful you's done gone to lucky ol' me

I smile at the grouchy ol' mailman I said hi then nosy Miss Jones  
Even gave her a mean little dog a pet on the head  
I call every name in the phonebook oh what a party is gonna be  
Celebratin' that news that wonderful you loves lucky ol' me  
Cause wonderful you's in love...  
Now look what wonderful you's done gone to lucky ol' me
