

Carl Belew, Stop The World (And Let Me Off)

Hey stop the world and let me off I'm tired of going round and round
I've played the game of love and lost so stop the world and let me off

My dreams are shattered can't you see cause you no longer care for me
But someday I'm sure you'll see loving you did best to me
Hey stop the world and let me off...

(ac.guitar)

My dream world tumbled to the ground the one I love has let me down
I've lost the wonder of her kiss how could she leave me here like this
Hey stop the world and let me off...
So stop the world and let me off
