

# Carl Cartee, Everybody Sing And Shout

Everybody sing and shout everybody praise the Lord  
Everybody clap your hands and make a joyful noise  
Lift up the banner high we've come to glorify  
The name of Jesus Christ give him praises

Glory to the Lord most high for he alone is worthy of our praise  
He is alive with resurrection power and now we have come to celebrate

Victory will be mine no enemy has power over me  
I am alive through Jesus Christ  
And the power of the cross has set me free
