

Carl Cartee, Psalm 96

Sing to the Lord a new song
Sing to the Lord all the earth
Sing to the Lord and praise His name
Day after day proclaim His salvation
Declare his glory among the nations
His marvolous deeds among all the peoples

Chrous:

For great is the Lord and most worthy of praise
He is to be feared above all other Gods
For all of the gods of the nations are idols
but the Lord made the heavens
Splender and majesty are before Him
Strength and glory are in his sanctuary
Ascribe to the Lord of families of nations
Glory and Strength
