

Carl Smith, More And More (1958)

More and more I'm forgettin' the past more and more I'm livin' at last
Day by day I'm losin' my blues more and more I'm forgettin' bout you
But oh how hard I tried to keep you by my side
And oh how I cried the day we said goodbye
Day by day I'm losin' my blues more and more I'm forgettin' bout you
[piano]
More and more I'm forgettin' the past...
