

# Carl Smith, Time Changes Everything

There was a time when I thought of no other and we sang our own love refrain  
Our hearts beat as one while we had our fun but time changes everything  
Time has passed I forgot you mother nature does wonderful things  
I guess that it's true for me and for you that time changes everything  
[ steel ]

You can change the name of an old song rearrange it and make it swing  
I thought nothing could stop me from loving you but time has changed everything  
Goodbye goodluck to you may God bless you I won't say I'll ever love again  
You'll go your way and I'll go mine cause time changes everything
