

# Carla Fernandes, Entera (ft. Matt Hunter)

Tell me what you're thinking  
Wanna know your weakness  
I know how it goes? ay ay ay

I could be the one to  
make you fall in love yeah  
If you pull me close ay ay ay

We could go further  
I won't get nervous  
Show me what you're worth oh yeah

Yo quiero verte junto a mi - I want to see you with me  
Ven cerca te quiero así - come close, I like you like this

Przedrefren:  
In the moonlight  
You can see fire  
Feel the flames so high oh oh oh oh

Now we're side by side  
Looking in your eyes  
Got me going wild oh oh

Don't know what you do  
but you're on my mind  
We go back and forth  
like a boomerang

Esta noche - tonight  
Te enamoraré - I'll make you fall in love with me  
I wanna hear you say my name

Refren:  
I know you want me all entera - All/the whole of you  
Contigo, noches en vela - with you, sleepless nights  
Solo tú y yo queremos - only you and me we want  
I want you, you want me, you know that we're more than friends  
Don't want this night to end no oh oh  
I know you want me all entera  
Contigo, noches en vela  
Ay ay ay ooh x3  
Contigo, noches en vela

Matt  
I been walking through the front door  
Saw your face and your waist and I want more  
Turned the crib and your bed to a dance floor  
Te quiero enterita me tienes bien loco  
Pide lo que tu quiera modelame  
Desnúdate entera  
Flojita cooperando  
Pa hacértelo todo

Carla  
Don't know what you do  
but you're on my mind  
We go back and forth  
like a boomerang

Esta noche - tonight  
Te enamoraré - I'll make you fall in love with me  
I wanna hear you say my name

Refren:

I know you want me all entera - All/the whole of you  
Contigo, noches en vela - with you, sleepless nights  
Solo tú y yo queremos - only you and me we want  
I want you, you want me, you know that we're more than friends  
Don't want this night to end no oh oh  
I know you want me all entera  
Contigo, noches en vela

Ay ay ay ooh x3

Ven cerca te quiero así - come close, I like you like this

Ay ay ay ooh x2

I know you want me all entera - All/the whole of you  
Contigo, noches en vela - with you, sleepless nights
