

Carla Fernandes, Hasta La Vista

My sweet Romeo
Turns to into a savage
On a bad trip
I Couldn't have to have it

Why do all the best ones
Turn into the worst
You don't wanna say
So i be the first

Little prince
Tell my about al lis the issues
You got to whole lot of issies
Butter save money
In the world that can fix you
So .. don't miss you
Better take with you a tissue

Hasta La Vista
I don't need you
Nah nah nah
Hasta La Vista
I see ya
Na na na
Love ya, need ya
You.. to kill ya
Hasta La Vista
I don't need you
Nah nah nah

Messed me up so good
And now i am the bad one
I've been out of comfort days
I am still on

I should have hit you with you body
.... Rythmy with my words
...

Little prince
Tell my about al lis the issues
You got to whole lot of issies
Butter save money
In the world that can fix you
So .. don't miss you
Better take with you a tissue

Hasta La Vista
I don't need you
Nah nah nah
Hasta La Vista
I see ya
Na na na
Love ya, need ya
You.. to kill ya
Hasta La Vista
I don't need you
Nah nah nah
