

Carla Thomas, All I Want For Christmas Is You

Let the kids have the toys,
the grownups make the noise.
Give the neighbors all the presents
under the tree.

Leave the snow and mistletoe
to the ones who love them so,
but you'll be quite enough for me.

When old Santa rides his sleigh,
he can please me right away,
with a present that forever will be new

Yes my poor heart would sing
If one present give he'll only bring,
For all I want for Christmas is you

Oh Santa rides his sleigh,
he can please me right away,
with a present that forever will be new.
Tell him my poor heart would sing
If one gift give he'll only bring,
for all I want for Christmas is you.
