

Carlene Carter, All Night Long

(Carlene Carter/Al Anderson)

Well, I've been out all night just sneakin' around
My feet start itchin' when the sun goes down
Time to come clean, you got the goods on me
But I ain't no angel, and it's plain to see
That I love you more than anything in this whole world
And when it comes to you, you know that I'm your girl
So let me make it up to you, all night long
Hey, I wasn't doing nothin' honey you ain't done before
But I was hip-mo-tized by the swinging doors
I love to party and I love to dance
A little wink and a smile don't mean romance
Maybe I been naughty, now I wanta be nice
You need some warmin' up 'cause you're as cold as ice
So let me make it up to you, all night long
Let me make it up to you
I wanna wake up with you
I promise that I'll be true blue
Let me make it up to you
I wanna stay up with you
All night long, all night long
Let me make it up to you
I wanna wake up with you
I promise that I'll be true blue
Let me make it up to you
I wanna stay up with you
All night long, all night long
Well, I love you more than anything in this whole world
And when it comes to you, you know that I'm your girl
So let me make it up to you, all night long
Let me make it up to you, all night long
All night long, all night long
All night long, all night long
All night long, all night long
All night long, all night long
