

# Carlene Carter, Appalachian Eyes

Morning fell  
Like the hair round her sure was soft and shinin'  
And the valley was green  
As the eyes of the man who could not hold her  
She was the reason  
Many heart beat blue, blue, blue  
Chorus  
Oh your blue, blue, blue Appalachian eyes  
Oh your blue, blue, blue Appalachian eyes  
I saw her runnin' scared like the look on her face  
She lost her shoe  
Never turned to look back  
I could not help her  
She was the reason  
Many heart beat blue, blue, blue  
Repeat Chorus  
Sure as a "bullet";  
She lost her love slipping silently over Clinch Mountain  
Repeat Chorus Several Times
