

# Carlene Carter, Go Wild

(Carlene Carter/Al Anderson)

Well it was Sunday morning, past Saturday night  
And I was sneakin' out my door  
I slipped on my best Sunday dress  
And I was ready for a little bit more  
It's shiny red like the sheets on my bed  
It might turn a head or two  
It's no mystery the man's history  
And I'm ready for something new  
Well I've been looking all around this whole damn town  
And I've got my eyes on you  
And if you're lookin' for adventure and a little romance  
Baby, baby let me lay it out for you  
Oh I know you know what I'm talkin' about  
'Cause you're grinnin' like a crocodile  
Yeah think about it sugar, honey let your mind go wild  
Think about it sugar, honey let your mind go wild  
Eye to eye, face to face, dancin' around all over the place  
Oh I know you know what I'm talkin' about  
'Cause you ain't no baby child  
Hey, think about it sugar, honey let your mind go wild  
Hey come a little closer, they're playin' our song  
We're a couple of shootin' stars  
Take a trip around the world a time or two  
Take a rocket ship to Mars  
We don't have to be angels to spread our wings  
Defy the laws of gravity  
Oh the atmosphere is so sweet up here  
Oh darling, we were meant to be  
Well I've been looking all around this whole damn town  
And I've got my eyes on you  
And if you're lookin' for adventure and a little romance  
Baby, baby let me lay it out for you  
Oh I know you know what I'm talkin' about  
'Cause you ain't no baby child  
Hey, think about it sugar, honey let your mind go wild  
Go wild  
Hey think about it sugar, honey let your mind go wild  
Eye to eye, face to face, dancin' around all over the place  
Oh I know you know what I'm talkin' about  
'Cause you're grinnin' like a crocodile  
Yeah think about it sugar, honey let your mind go wild  
Yeah think about it sugar, honey let your mind go wild  
Yeah think about it sugar, honey let your mind go wild  
Go wild, go wild
