

# Carlene Carter, Hallelujah In My Heart

(Carlene Carter/Howie Epstein)

Oh Lord, I stand before you  
A past I can't deny  
A sinner from the old school  
Repent before you die  
I tried to run  
I tried to hide  
I tried so hard to stray  
But your love has found  
It's way around  
And grace has paved the way  
No more to roam  
I've found my home  
Hallelujah in my heart  
Salvation sweet awaits us  
Beyond a shining light  
A chance for you and me  
To really do it right  
And so it goes  
You reap what you sow  
My oats were wild and green  
Now faith has found  
Its way around  
And does salvation bring  
No more to roam  
I've found my home  
Hallelujah in my heart
