

Carlene Carter, Loose Talk (Carlene Carter With

(Freddie Hart/Ann Lucas)

So long we've been married
Life's burdens we carried
Though they kept us humble and made our love true
The plans that we make up
Someone seems to break up
Oh darlin' what else can we do
We may have to leave here
To find peace of mind dear
Some place where we can live a life all our own
For I know you love me and happy we could be
If some folks would leave us alone
While I go out walkin'
There's of loose talkin'
They say we're unhappy and we'll break apart
But darlin' it's not true
Because I still love you
And I do with all my heart
We may have to leave here
To find peace of mind dear
Some place where we can live a life all our own
For I know you love me and happy we could be
If some folks would leave us alone
They say that you're leavin'
That you are deceiving
But you tell me they say the same about me
But we'll show them they're wrong
That loose talk will do harm
And hope that the truth they will see
We may have to leave here
To find peace of mind dear
Some place where we can live a life all our own
For I know you love me and happy we could be
If some folks would leave us alone
