

# Carlene Carter, Loose Talk (Carlene Carter With

(Freddie Hart/Ann Lucas)

So long we've been married  
Life's burdens we carried  
Though they kept us humble and made our love true  
The plans that we make up  
Someone seems to break up  
Oh darlin' what else can we do  
We may have to leave here  
To find peace of mind dear  
Some place where we can live a life all our own  
For I know you love me and happy we could be  
If some folks would leave us alone  
While I go out walkin'  
There's of loose talkin'  
They say we're unhappy and we'll break apart  
But darlin' it's not true  
Because I still love you  
And I do with all my heart  
We may have to leave here  
To find peace of mind dear  
Some place where we can live a life all our own  
For I know you love me and happy we could be  
If some folks would leave us alone  
They say that you're leavin'  
That you are deceiving  
But you tell me they say the same about me  
But we'll show them they're wrong  
That loose talk will do harm  
And hope that the truth they will see  
We may have to leave here  
To find peace of mind dear  
Some place where we can live a life all our own  
For I know you love me and happy we could be  
If some folks would leave us alone
