

Carlene Carter, Madness

Oh you sweet Romeo
'Atta way to go
Won the heart of the hardest to win
Well you know I only do it for fun
Though you never would've gone
If I hadn't 've wanted you to
Now you passionate child
What unusual style
Won the heart of the hardest to take
Let me lay down and laugh
Like a splash in the bath
You must take me for some kind of fool
Chorus:
Whoa-oh it's some kind of madness
Whoa-oh it's madness
Whoa-oh it's some kind of madness
Whoa-oh it's madness
It's a chance that you take
The mistake that you make
Break the heart of the slow heartbreaker
There'll be lie on your lips
But a smile in your kiss
Yeah I feel like there's somethin' I missed
Oh you sweet Romeo
Bad way to go
You got me going, I'm going, you're gone
Well you know I only did it for fun
Boy you never would've gone
If I hadn't 've wanted you to
Repeat Chorus
