

Carlos Lyra, Take Me To Aruanda (Aruanda)

There's a land, Aruanda,
Diamond sand, Aruanda,
Silver stars on the hill top,
Take me to Aruanda.

Lots of fish in the stream there,
Lots of time just to dream there,
Golden sun in the valley,
Take me to Aruanda.

There where nobody worries,
There where nobody hurries,
Easy life waving a welcome,
Take me there.

Leave my sadness behind me,
Let sweet paradise find me,
Heaven waits over yonder,
Take me to Aruanda,
